Re: Recommendation for Full-Day Kindergarten

At the June 3, 2021 special Board meeting, Administration presented the Board with various options for full-day kindergarten. The Board discussed all the options and requested additional information. Further research and data were gathered and subsequently presented to the Board at the June 24 regular meeting.

Following the June 24 discussion, Administration provided a few subsequent items to the Board at the July 7 special meeting, as requested. Additional questions were answered at that meeting.

Administration is now recommending that the Board approve Option 4 as previously presented and discussed, to allow the planning of the construction process to begin as soon as possible.

As a reminder, Option 4 includes the following:

- Upgrade of Jefferson School
- Relocation of the Educational Service Center (ESC) to Jefferson School
- Full-day kindergarten option at each of the K-5 schools

ACTION ITEM 21-07-1

I move that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, approve Option 4 for the implementation of full-day kindergarten as presented in the attached report, with an estimated cost range between \$23,532,280 and \$25,901,249.
